Dear Mr. Martin,

On behalf of St. Anthony Foundation in San Francisco, I wanted to let you know how much our local CBS stations have helped us over the years. The public affairs show that airs on KLLC, KITS, KMVQ, KFRC, and KYCY have featured our organization several times, highlighting the programs we offer to homeless people, people with addiction issues and/or mental illness, as well as our dining room that serves 2400 people every day, 365 days a year.

We are grateful for these stations and the personnel who have worked so closely with us through the years. St. Anthony Foundation receives no funding from federal, state, or city agencies; we rely on donations from the public to provide our services. The exposure we have received through the public affairs show has helped to widen our donor base and enable to continue serving the poor here in our city.

Thank you.

Sincerely,
